Professional Experience

Astrid Architects, Part II Architectural Assistant

Architecture Practice, November 2020 - Present

Involved in the designing of residential projects for a number of clients based in South Yorkshire.

Studio Arkell, Part II Architectural Assistant

Design Studio, October 2020 - Present

Working with the principal architect to deliver residential and commercial projects.

Gollifer Langston Architects, Part I Architectural Assistant

Architecture Practice, July 2019 - August 2019

Assistant on a primary school development in Newark, and developed plans for a hotel franchise in Hertfordshire. This role entailed computer and physically modelling the scheme, and produced stage 3 architectural drawings.

SSoA Exhibition Catalogue Administrator

University of Sheffield, May 2019 - June 2019

Compiled and edited the Sheffield School of Architecture's exhibition catalogue.

Voluntary Services Overseas, Community Development Volunteer

Charity, Mar 2018 - June 2018

A volunteer with the international development charity VSO, in partnership with the NGO Rural Community Foundation (RCF), in Kavrepalanchok, Nepal.

Asif Khan, Part I Architectural Assistant

Design Studio, Oct 2017 - March 2018

Worked as part of the design consultancy team for the Dubai Expo 2020, and engaged in competition bids, delivered project reports and design packages. This role included created physical models, and produced diagrams and visualisations to demonstrate the design process.

5Plus Architects, Part I Architectural Assistant

Design Studio, Aug 2016 - Aug 2017

Worked in collaboration with architects, interior designers and graphic designers on a range of masterplanning, residential and commercial developments.

This role included working on a number of feasibility studies, including Unity Square, the HMRC's Regional Hub, and developed a hotel proposal for central Manchester.

Additional Experience

Matri Arch

September 2018 - Present

Co-founder of Matri Arch a feminist collective raising awareness of issues surrounding women and non-binary people within the Architecture sector. Through hosting a number of events, with invited speakers, our group has endeavoured to present a diverse range of voices from within the sector, and create a more inclusive learning and professional environment. In March 2020 Matri Arch was invited to speak at the Sheffield UCU Feminist Teach-out, on 'The Perils of Tradition'.

Ambassador, Architects Benevolent Society

October 2019 - Present

I am an Ambassador for the charity the Architects Benevolent Society, which works to provide support to practitioners and their families in times of difficulty.

Mentor & Academic Representative

University of Sheffield

2018 - 2020

Mentor to an architecture undergraduate, providing additional support and guidance during their education. During 4th year I held the role of academic representative for architecture master's students.

Personal Achievements

Centenary Prize 2020

Sheffield School of Architecture

Awarded to students for contributing to the school in a significant way. Presented to myself and Alice Grant for our work with Matri Arch.

Fundraising

VSO, January - March 2018

Raising £1,200 for the international development charity.

Education

Sheffield School of Architecture

September 2018 - June 2020

Distinction, MArch Architecture

Atelier La Juntana

July 2018, Modelmaking In The Digital Age

International Summer Workshop

Participated in a week course, working in different model making techniques, in collaboration with the Architecture Official College of Cantabria and the Polytechnic University of Madrid.

Manchester School of Architecture

September 2013 - June 2016

First-class honours, BA Architecture
